My name is Junie B. Jones. The B stands for Beatrice. Except I don't like Beatrice. I just like B and that's all. I'm almost six years old. Almost six is when you get to go to kindergarten. Kindergarten is where you go to meet new friends and not watch TV. My kindergarten is the afternoon kind. Today was my first day of school.

unpublished stories you'll find in this issue left us wishing for more, which sadly won't be possible as O'Connor died in 2010 at the age of forty-nine, just after finishing the screenplay for the 2011 film Tinker Tailor Soldier Spy, leaving behind her daughter, Connie, and her husband and sometime writing partner Peter Straughan.

helpful, along with some sort of commentary. For others (including me) there is no regular daily routine into which such a thing would fit, and it is much easier to find a chunk of time, perhaps weekly, for this. If we do that, however, we must remember that the Christian life is a continuum. We should be trying live like Jesus all the time. For

notice that in each of the problems there are three possible components: There is the whole, which is given as some amount of stuff—like lemonade or acreage, or distance. If you solve the problem by diagram, it will be what you first draw. In the examples above, it would be Mrs. Jones's sugar

is/are, there was/were, there will be, there has/have been, there had been. The verb to be' in such constructions can be used with modal verbs (can, may, must, ought to): There must be a dictionary on the shelf.
